TechSpeed Clearing, LLC US Consumer Privacy Notice

LAST UPDATED: July 1, 2025

This Privacy Notice describes how TechSpeed Clearing, LLC, as part of the FinTex Holdings, Inc. group of companies, ("TechSpeed," "we," "us," "our") collects, discloses, and protects your personal information. TechSpeed carries your account as a clearing broker by arrangement with your broker/dealer or registered investment advisor as TechSpeed 's introducing client. Please note that this notice generally applies to former customers of TechSpeed as well as current customers.

Personal Information Collected

To service your account as a clearing broker-dealer, information is provided to TechSpeed by your introducing firm who collects information from you to provide the financial services that you have requested. TechSpeed also collects information from other third parties and when it provides services to you. The information may include:

- Information received from you, such as your name, address, telephone number, social security number, occupation, and income
- Information relating to your transactions, including account balances, positions, and activity
- Information which may be received from consumer reporting agencies, such as credit bureau reports
- Information relating to your creditworthiness
- Information which may be received from other sources with your consent or with the consent of your introducing firm

In addition, TechSpeed may compile aggregate, anonymous, or other data from various sources, including but not limited to accounts and transactions. This data, which TechSpeed may use for its business purposes consistent with applicable law, does not identify individual customers.

Sharing of Nonpublic Personal Information

TechSpeed does not disclose your nonpublic personal information (NPI) to any nonaffiliated third parties, except as required or permitted by law and for the firm's everyday business purposes, including but not limited to any obligations of TechSpeed under the USA PATRIOT Act, and to facilitate the clearing of customer transactions in the

ordinary course of business. We may disclose all of the types of non-public personal information that we collect about you.

TechSpeed has multiple affiliates and relationships with third party companies. Examples of these companies include financial and non-financial companies that perform services such as data processing and companies that perform securities executions on your behalf. TechSpeed may share information among its affiliates, as permitted by law and for our everyday business purposes, to better service your financial needs or to improve or expand our services and products.

We do not share your personal information in any way that you have a right to limit, under applicable US laws.

Security

TechSpeed implements and maintains reasonable security practices appropriate to the nature of the personal information we collect. These include administrative, technical, physical, and electronic safeguards designed to protect personal information from unauthorized or illegal access, destruction, use, modification, or disclosure. Among other things, we implement access control mechanisms to control our employees' access to systems and data, including non-public personal information.

Access to Your Information

You may access your account information through a variety of media ofered by your introducing firm and TechSpeed (i.e. statements or online services). Please contact your introducing firm if you require any additional information.
